Proceeding of The 3rd International Conference of Health, Science and Technology

“Digital Transformation in Global Society”

Preface

MOVING, MOVING, MOVING

First of all, let us express our praise and gratitude to Allah SWT, God Almighty, because by His grace and blessing we can attend the 3rd International Conference Of Health Science And Technology (ICOHETECH) together in very good condition.

This activity is the 3rd International Conference Of Health Science And Technology (ICOHETECH) with the theme "Digital Transformation in Global Society" which is held by online. At the 3rd ICOHETECH, the enthusiasm of the participants was very high, a total of 56 papers received with around 847 non-presenters participants. The presented papers will be published in international proceedings indexed by Copernicus. On this occasion I would like to thank all speakers, all committees, presenters and all participants who have made this event a success Thus, let's keep join ICOHETECH by participating again next year.

Tominanto, S. Kom., M. Cs

Vice Rector of Universitas Duta Bangsa Surakarta

Proceeding of The 3rd International Conference of Health, Science and Technology

“Digital Transformation in Global Society”

Preface

The Covid-19 pandemic is accelerating digital transformation in all sectors, such as government, industry, economy, education, health, business, and others. Digital transformation can simplify operational processes to be more effective. So the purpose of this conference is to improve our ability as human resources in responding to digital transformation. Therefore, this conference has the theme “Digital Transformation in Global Society”

Today's international conference was attended by students, lecturers, researchers, and practitioners from different countries. The number of conference participants is almost a thousand people. In addition to the conference, we also held a call for papers for researchers to present after the conference. Their total is fifty-five presenters. The topic areas to be discussed are health, science, and technology.

Thank you to all committees and all parties who supported the 3rd ICOHETECH two thousand twenty-two. Hopefully, all of these activities can be successful and useful. We thank you once again and have a nice meeting at ICOHETECH next year.

Best Regards,

Riska Rosita, SKM., MPH
Chair of the 3rd ICOHETECH's Committee
